Health – Year 10 Elective

The health and wellbeing of individuals is one of our greatest concerns in society. With a focus on youth health and wellbeing, students will have the opportunity to explore the determinants of health and many of the challenges that face young people today. By focusing on the health and wellbeing of young people and exploring issues that are current and relevant, students find themselves thoroughly engaged with the coursework.

Major Topics Covered

Topics covered throughout the year include:

- Youth health and wellbeing
- Challenges for youth (including road safety, drugs and mental health)
- Relationships (including family, friendships and sexual health)
- Identity

Pre-requisite Subjects

Nil

Fees - No addition fee beyond the general material charge.
