VET BEAUTY THERAPY

SIB20110 Certificate II in Retail Make-Up and Skin Care

This program is under review for possible modification in 2013

Beauty Therapy is one of the most rewarding careers for those who love making people look and feel good. Beauty therapy can provide many different pathways including working in the rapidly growing spa industry, working as a technical advisor or salon consultant for a product company or as a make-up artist for photo shoots, catwalk and weddings and the lucky few, for film, stage and television.

This course is delivered at Box Hill Institute over two years. Students attend the Elgar Campus one half day per week. Students will complete a Certificate II in Make-up Service. Upon completion of this program students may be eligible for some credit towards the Diploma in Beauty Therapy.

The course is competency based and as such, participants are required to complete a range of assessment methods including practical assessments, workplace projects, case studies and activities.

Major topics covered include; designing & applying make-up, design and apply make-up for photography, customer service, Demonstrating retail skin care products; remedial camouflage; safe work practices.

Pre-requisites
There are no prerequisites for this course.

PATHWAYS ......where may this program lead?
