Year 9 Basketball Academy

Box Hill Senior Secondary College (BHSSC) has been recognised by the Department of Education and Training (DET) as a ‘Specialist Sports School’. As part of this specialist sports program, we offer a Year 9 Basketball Program. This program is focussed on assisting the elite players of this age group who are playing at Representative Championship level and who are committed to improving their basketball skills. This program is endorsed by Basketball Victoria.

The BHSSC Year 9 Basketball Program will be completely integrated into the school day. Students can complete both their academic studies and specialist basketball training within normal school hours. The weekly program will consist of core and elective subjects as well as an Athlete Development Program that includes sports psychology, level 1 coaching accreditation and a VBA Refereeing Certificate, also four hours of basketball related training sessions under the guidance of Head Coach, Kevin Goorjian.

The program will consist of a total of four hours of training per week. This includes:
- 2 x 1 hour on court sessions (one with a team focus, the other with an individual skills focus).
- 2 x 1 hour weights/conditioning sessions.

**ACADEMIC STUDIES**

Students will follow a Year 9 VELS curriculum including core subjects of:
- English
- Science
- Mathematics
- Integrated Studies (Humanities)

Students will also complete a variety of subjects from the following areas:
- Home Economics
- Art
- Health
- Technology

Classes will be held with the Year 9 Tennis players at the Middle Years Sports School (situated on the BHSSC campus). Students will have the added benefit of a small year level. This allows students to foster quality relationships with both fellow sports students and teachers alike. All basketball related training sessions will run in the school basketball court/gym as well as the new specialist weights/cardio/fitness facility. Students will have the opportunity to compete in the Victorian College Championships as well as the McDonalds Cup Tournament.

**PROCESS**
- Open Day / Information Sessions
- Interview
