STATEMENT OF COMMITMENT TO CHILD SAFETY

Box Hill Senior Secondary College is a child safe organisation which welcomes all children, young people and their families.

We are committed to providing environments where our students are safe and feel safe, where their participation is valued, their views respected, and their voices are heard about decisions that affect their lives. Our child safe policies, strategies and practices are inclusive of the needs of all children and students.

We have no tolerance for child abuse and take proactive steps to identify and manage any risks of harm to students in our school environments.

We promote positive relationships between students and adults and between students and their peers. These relationships are based on trust and respect.

We take proactive steps to identify and manage any risk of harm to students in our school environment. When child safety concerns are raised or identified, we treat these seriously and respond promptly and thoroughly.

Particular attention is given to the child safety needs of Aboriginal students, those from culturally and linguistically diverse backgrounds, international students, students with disabilities, those unable to live at home, children and young people who identify as lesbian, gay, bisexual, trans and gender diverse, intersex and queer (LGBTIQ+) and other students experiencing risk or vulnerability. Inappropriate or harmful behaviour targeting students based on these or other characteristics, such as racism or homophobia, are not tolerated at our school, and any instances identified will be addressed with appropriate consequences.

Child safety is a shared responsibility. Every person involved in our school has an important role in promoting child safety and wellbeing and promptly raising any issues or concerns about a child's safety.

We are committed to regularly reviewing our child safe practices, and seeking input from our students, families, staff, and volunteers to inform our ongoing strategies.

We ensure that students also know what is acceptable and what is not acceptable so that they can be clear and confident about what to expect from adults in the school.

The Child Safety Code of Conduct also includes processes to report inappropriate behaviour.

MANAGING RISKS TO CHILD SAFETY AND WELLBEING

At our school we identify, assess and manage risks to child safety and wellbeing in our physical and online school environments. These risks are managed through our child safety and wellbeing policies, procedures and practices, and in our activity specific risk registers, such as those we develop for off-site overnight camps, adventure activities and facilities and services we contract through third party providers for student use.

Our Child Safety Risk Register is used to record any identified risks related to child abuse alongside actions in place to manage those risks. Our school leadership team will monitor and evaluate the effectiveness of the actions in the Child Safety Risk Register at least annually.

ESTABLISHING A CULTURALLY SAFE ENVIRONMENT

At Box Hill Senior Secondary College, we are committed to establishing an inclusive and culturally safe school where the strengths of Aboriginal culture, values and practices are respected.

We think about how every student can have a positive experience in a safe environment. For Aboriginal students, we recognise the link between Aboriginal culture, identity and safety and actively create opportunities for Aboriginal students and the Aboriginal community to have a voice and presence in our school planning, policies, and activities.

We have developed the following strategies to promote cultural safety in our school community:

- Begin events and meetings with a Welcome to Country or an Acknowledgement of Country as a standing agenda item. Use this as an opportunity to pause and reflect or open a discussion.
- Fly the Aboriginal and Torres Strait Islander flags on school grounds.
- Display plaques and signs to Acknowledge Country and Traditional Owners.
- Build schoolwide knowledge of Aboriginal histories, cultures, perspectives, values, skills and attitudes.
- Acknowledge and draw on the existing knowledge of Aboriginal students and their families.
- Ask for feedback from Aboriginal students and their families about what the school does well, and what can be improved.
- Implement the [Koorie Education Policy](#) to create a learning environment for all students that acknowledges, respects and values Aboriginal cultures and identities (Government schools).
- Use [Koorie Engagement Support Officers](#) (KESOs) to provide advice to government schools about creating culturally inclusive learning environments.
- Use the [Marrung Aboriginal Education Plan 2016–2026](#) to guide the school's support for Aboriginal self-determination.
- Express zero tolerance of racism in your statement of commitment to child safety included in your Child Safety and Wellbeing Policy and other documents.
- Address racism from students, staff, volunteers or visitors directly. Make sure racist speech or actions are always dealt with, and the culture of the school works to prevent incidents from occurring.
- Put school leaders at the front of anti-racist action. Discuss racism and work to address unconscious bias and racism in the school community.
- Encourage non-Aboriginal school leaders and teachers to commit to ways they can work as an effective ally to Aboriginal students, their families and communities.
- Train staff and volunteers to understand the importance of Aboriginal culture to the wellbeing and safety of Aboriginal students.
- Work with the local Aboriginal community to build staff, volunteer and student knowledge and respect for Aboriginal culture and to promote cultural inclusion.
- Arrange [Community Understanding Safety Training \(CUST\)](#) or equivalent for staff.

STUDENT EMPOWERMENT

To support child safety and wellbeing at Box Hill Senior Secondary College, we work to create an inclusive and supportive environment that encourages students and families to contribute to our child safety approach and understand their rights and their responsibilities.

Respectful relationships between students are reinforced and we encourage strong friendships and peer support in the school to ensure a sense of belonging by offering a personalised approach to learning, highlighted through I.L.P.'s for all students, implementing our whole school approach to Respectful Relationships, our student Code of Conduct, our school values, Student Leaders program which includes specific leadership training and other student led community service projects and activities.

We also do the following to encourage students to feel empowered within their school:

- Discuss commitment to student's voice at enrolment and organise orientation activities focused on activating student's voice.

- Invite students to provide feedback on school-wide decisions and take their views into account in school decision-making.
- Document student participation in activities that contribute to the life of the school.
- Involve students in consultation processes and inform them of their impact on decision-making.
- Demonstrate that the school takes students seriously by acting on their concerns, noting that what might seem unimportant to an adult may be important to a young person.
- Teach students practical protective strategies, including:
 - what to do when they feel unsafe
 - phrases they can use to raise an objection
 - pathways for raising safety concerns, and
 - online safety behaviours.
- Provide contact information for independent child and youth advocacy services or helplines.
- Provide a range of age-appropriate picture books, fiction and non-fiction that include:
 - children's rights and empowerment themes
 - cultural and linguistic diversity
 - neurodiverse characters and people with disability
 - diversity in sexual orientation and gender.
- Support all students to identify trusted adults and friends they can talk to about a concern at school, at home or in the community.
- Deliver age-appropriate curriculum content about respectful relationships, sexuality, consent and sexual abuse prevention through the [Resilience Rights and Respectful Relationships teaching and learning materials](#) as part of implementing the whole school approach to Respectful Relationships.

We inform students of their rights through our Student led assemblies, our College wide Advocacy program, our delivery of leadership training for all of our Student Leaders, through community providers such as guest speakers, and our whole school approach to Respectful Relationships to give them the skills and confidence to recognise unsafe situations with adults or other students and to speak up and act on concerns relating to themselves or their peers. We ensure our students know who to talk to if they are worried or feeling unsafe and we encourage them to share concerns with a trusted adult at any time. Students and families can also access information on how to report concerns at the school's Front Office.

When the school is gathering information in relation to a complaint about alleged misconduct or abuse of a child, we will listen to the complainant's account and take them seriously, check our understanding of the complaint, support the student and keep them (and their parents and carers, as appropriate) informed about progress.

FAMILY ENGAGEMENT

Our families and the school community have an important role in monitoring and promoting children's safety and wellbeing and helping children to raise any concerns.

To support family engagement, at Box Hill Senior Secondary College we are committed to providing families and community with accessible information about our school's child safe policies and practices and involving them in our approach to child safety and wellbeing.

We will create opportunities for families to have input into the development and review of our child safety policies and practices and encourage them to raise any concerns and ideas for improvement.

We do this by:

- Nominate a contact person for new enrolments and provide their details in induction materials or school transition packs.
- Provide new enrolments with family welcome packs that include information about child safety, the school's complaints processes and how to raise concerns.
- Conduct school open days or host community events, such as a school fete or fair, to welcome families and the broader community.
- Create a welcoming environment at school reception so community members and families feel respected, included and safe to come onto school grounds.
- Ask parents and carers about their children. This can be in formal settings like parent/teacher interviews, or during chance meetings at pick-up and drop-off.
- Provide parents and carers with information about children's rights via newsletters, or parent information sessions.
- Regularly engage with parents, carers and students and discuss the needs of students through parent/teacher interviews.
- Provide frequent opportunities for parents and carers to engage with staff to discuss their children's experiences at school.
- Organise interpreters and translations to engage families from non-English speaking backgrounds in conversations about the school's child safety strategies.
- Ask families and carers about their preferred methods of communication, including email, social media, meetings and workshops and use their responses to inform your communications approach.
- Incorporate child safety questions in parent and carer surveys to measure awareness and confidence in the school's child safety approach and to support ongoing improvement.

- Compass Portal posts and updates will inform families and the school community about any significant updates to our child safety policies or processes, and strategies or initiatives that we are taking to ensure student safety.
- PROTECT Child Safety posters will be displayed across the school, including the Main Administration Front Foyer, the Library and the Student Services office.
- Communicate that discrimination and bullying are not tolerated – if incidents of bullying or discrimination occur, address the incident in line with school policy.
- Let students know they can raise concerns or report incidents that occurred at school and outside the school.
- Ensure school environments are welcoming and inclusive. For example:
 - display flags representing different cultures within the school community

As a child safe organisation, we celebrate the rich diversity of our students, families and community and promote respectful environments that are free from discrimination. Our focus is on wellbeing and growth for all.

We recognise that every child has unique skills, strengths and experiences to draw on.

We pay particular attention to individuals and groups of children and young people in our community with additional and specific needs. This includes tailoring our child safety strategies and supports to the needs of:

- Aboriginal children and young people
- children from culturally and linguistically diverse backgrounds

- children unable to live at home or impacted by family violence
- international students
- children and young people who identify as LGBTIQ+.

We also employ the following strategies:

- Communicating that discrimination and bullying are not tolerated – if incidents of bullying or discrimination occur, address the incident in line with school policy.
- Let students know they can raise concerns or report incidents that occurred at school and outside the school.
- Checking in with vulnerable students and their families to confirm their needs are being met. This can occur at pick-up or drop-off, at parent teacher interviews or through informal discussions.
- Engage genuinely with students. Find out what matters to them, what they know and don't know about safety, and what they need to be safe and feel safe.
- Validate students' feelings. Students may feel that they have not been listened to or believed in the past.
- We also offer buddying and mentoring for students who are at risk of social isolation.
