

Dear parent/guardian,

Box Hill Senior Secondary College (BHSSC) is looking forward to another successful year of teaching and learning and would like to advise you of *BHSSC's* voluntary financial contributions and extracurricular fees for 2026.

Where possible, we always strive to provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions, except for the extracurricular activities listed, are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and learning opportunities for our students. We thank you for your commitment to making annual voluntary contributions - schools rely heavily on them to provide the programs that families expect. We also thank you for contributing to our Building, Library and Equity funds, and for time spent volunteering on School Council committees and at school events.

Within our school this support has allowed us to

- Offer a wide range of subjects, special curriculum experiences and resources for our students across all year levels.
- Expert input to our Social and Emotional Learning curriculum program through incursions and excursions
- A host of excursions and incursions that complement and enhance the learning program.
- Maintain and gradually upgrade the school grounds, buildings, and classroom equipment.
- Renewal of Library resources and fittings
- Upgrades of ICT systems and hardware
- Provide additional health and wellbeing support to students and families.

Parents should be aware however, that involvement in extra-curricular programs such as the Sport Academies, Camps, and other specialist activities such as excursions etc, do require financial contributions to enable those programs to operate.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

Warren Dawson
